Declaration, Petition and Power of Attorney For Patent Application

As a below named inventors, we hereby declare that:

Our residence, post office address and citizenship are stated below next to our names.

We believe we are original, first and sole inventors(if only one name is listed below)or an original, first and joint inventor(if plural names are listed below)of the subject matter which is claimed and for which a patent is sought on the invention entitled

Battery Pack With Improved Heat Radiation And Sealing

the specification of which

(check one)

☒ X is attached hereto.

_____ was filed on _____ as

Application Serial No. _____

and was amended on _____.

(if application)

We do not know and do not believe that the subject matter of this application was ever known or used in the United States before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, and that said subject matter has not been patented or made the subject of an issued inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application; that we acknowledge my duty to disclose information of which we are aware which is material to the examination of this application, that no application for patent or inventor's certificate on the subject matter of this application has been filed by us or our representatives or assigns in any country foreign to the United States, except those identified below, and that we have reviewed and understand the contents of the specification, including the claims as amended by any amendment referred to herein.

We acknowledge the duty disclose to the Office all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

PRIORITY CLAIM

We hereby claim foreign priority benefits Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate or of any PCT international application(s) designating at least one country other than the United States of America listed below and have also identified below any foreign application(s) for patent or inventor's certificate or any PCT international application(s) designating at least one country other than the United States of America filed by us in the same subject matter having a filing date before that of the application(s) of which priority is claimed.
